# PICK AND PLACE PACKER

## A PICK AND PLACE PACKING SOLUTION TO MEET YOUR SPECIFIC REQUIREMENTS:

### General performance

- Robust structure designed to handle heavy payloads
- Transfer movements precisely controlled at all stages
- High speed capability makes it possible to handle a wide variety of products

### A versatile machine

- Customised gripping tooling specific to your product design
- Centralised adjustment points ensuring quick and easy size changeovers
- All types of product infeed possible

### A global solution

- Product infeed, case infeed and case outfeed conveyors all controlled by the same PLC as the machine
- Specialised tooling options available to ensure perfect loading into cases, including cases with partitions
- Product and case size ranges available on request

- Mechanical performance
- Controlled movement ensuring optimum product protection
- Quick and accurate size changeover capability

Sidel is a leading provider of equipment and services solutions for packaging beverage, food, home and personal care products in PET, can, glass and other materials.

With over 40,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on the factory of tomorrow with advanced systems, line engineering and innovation. Our 5,500+ employees worldwide are passionate about providing solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we stay flexible. We continuously ensure we **understand** our customers' changing challenges and commit to meeting their unique performance and sustainability goals. We do this through dialogue and by understanding the needs of their markets, production and value chains. In turn, we apply our solid technical knowledge and smart data analytics to ensure lifetime productivity reaches its full potential.

We call it **Performance through Understanding**.
