 **Sidel**

SIDE-LOADING CASE PACKER

A SIDE-LOADING SOLUTION TO MEET YOUR SPECIFIC REQUIREMENTS:

Technical Characteristics

- Compact layout
- Specially-designed guarding to improve visibility inside the machine
- Low-level case magazine to ease loading

Improved functionality

- Cantilever design of the case transfer mechanism
- Retention zones minimised
- Maximum product tracing guaranteed
- Hygienic operating conditions
- Quick size changeovers

Performance

- Speeds of up to 13.5 cases/min for the 2-station model and 20 cases/min for the 3-station model
- Products fed in by single layer simple transfer or by a mechanical or servo-driven elevating or lowering stacker
- Simplified format changeovers

- Direct access into the machine at floor level
- Product retention zones minimised
- Compact and ergonomic machine design

Sidel is a leading provider of equipment and services solutions for packaging beverage, food, home and personal care products in PET, can, glass and other materials.

With over 40,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on the factory of tomorrow with advanced systems, line engineering and innovation. Our 5,500+ employees worldwide are passionate about providing solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we stay flexible. We continuously ensure we **understand** our customers' changing challenges and commit to meeting their unique performance and sustainability goals. We do this through dialogue and by understanding the needs of their markets, production and value chains. In turn, we apply our solid technical knowledge and smart data analytics to ensure lifetime productivity reaches its full potential.

We call it **Performance through Understanding**.
